Alejandro Chavez-Segura For decades, scholars from the discipline of International Relations (IR) neglected the influence of religious actors in international affairs.

[A theology of international relations : a Buddhist ...](#)

This thesis is rooted in Buddhism and seeks to develop a Buddhist theology in order to understand how international relations, as part of the contingent reality, are subject to change. Thus there is the possibility of reconstructing reality through the sum of individual will expressed in social groups, institutions and states.
