"Open Heart" by Elie Wiesel | Richard Heffner's Open Mind ...

HEFFNER: Well, I'm going to put the question to you how is it different because I have the feeling as I read Open Heart that there is a different Elie Wiesel. WIESEL: Because of the

**Open Heart by Elie Wiesel - goodreads.com**

Open Heart is the final book by Elie Wiesel. It is fitting that this be his last book as it sums up his life and yet calls out for you to read his other books. June 16, 2011, Elie Wiesel finds out his heart is failing him. According to his story, he doesn't give up; but continues to fight the inevitable. While he is fighting for his life, he

**Open Heart - New York University**

Open Heart is a crisp patient narrative: it can be read in less than an hour, but its richness and clarity make it worth rereading. It is a story of an illness and recovery (technically a pathography ) that is useful for showing a patient's inner emotions and thoughts.
