Geoff Dyer's Out of Sheer Rage: Wrestling with D.H. Lawrence is a book within a book about trying, failing and succeeding at writing a biography of D.H. Lawrence (in a roundabout way) while simultaneously (quite by accident) employing one's personal and literary failures to gain access to one's own true self.

Out of Sheer Rage is a much easier read than most of Bernhard's books, but there is much to be taken seriously

here, and the presentation is, by and large, well done. We thought the last few paragraphs were a cop-out, in so far as the point of the book is clear throughout and does not need such hackneyed explication, but otherwise this book, for all its frustrations, is very, very fine indeed.

Out of Sheer Rage: Wrestling with D.H. Lawrence is the best book about not writing a book about D.H. Lawrence ever written. Other people have written untraditional, even loopy tributes to the priest of love before--including boon companions Anais Nin and Henry Miller--but no one has done it with Dyer's chutzpah, or with such fantastic success.
