Charlotte Roberts - Wikipedia

Charlotte Ann Roberts, FBA (born 25 May 1957) is a British archaeologist, academic and former nurse. She is a bioarchaeologist and palaeopathologist, whose research focuses on health and the evolution of infectious disease in humans. Since 2004, she has been Professor of Archaeology at Durham University.

Paleopathology - Wikipedia

Paleopathology, also spelled palaeopathology, is the study of ancient diseases. Studying pathologies, these abnormalities in biologic individuals and systems, may be intrinsic to the system itself (examples: autoimmune disorders or traumatic arthritis) or caused by an extrinsic factor (examples: viruses or lead poisoning from pipes).

The history of paleopathology in Australia ...

[Extract] The study of paleopathology in Australia has been sporadic and unsystematic. This reflects the development of the discipline from an interesting sideline in anatomy to a fully professional area of research, as well as the changing relationship between bioarchaeologists and Aboriginal people in Australia. Four periods exemplify the
