[Oxford Handbook of Postwar European History - Oxford Handbooks](#)

The postwar period is no longer current affairs but is becoming the recent past. As such, it is increasingly attracting the attentions of historians. Whilst the Cold War has long been a mainstay of political science and contemporary history, recent research approaches postwar Europe in many different ways, all of which are represented in this

Ethnic Cleansing - Oxford Handbooks

One can define ethnic cleansing as a mass-scale, violent, and permanent removal of an ethnically defined group from one territory to a perceived external homeland. Deportations within a state were special in this regard because there was no vision of an external territory to which the cleansed population would be sent. It still needs to be
